PREVENTIVE

Of Typho-Malarial Fever and Oure for Rheumatism at Last Discovered

By the firm of Hughes Bres., manu-By the firm of Hughes Bres., manifacturing chemists of Dallas, Texas.

This enterprising firm have for the last five years been engaged in the manufacture of baking powders, wines, cider, vinegar, etc. Dr. F. E. Hughes, who presides over their laboratory, has for the last forty years been engaged in the study and practice of medicine and chemistry. They also have is their laboratory Prof. Geo. C. Calhoun, who has for many years peen Calhoun, who has for many years been a teacher of chemistry, also Mr. J. Price Warrick, a graduate of chemistry in the University of Philadelphia. These gentlemen in manufacturing the various articles already mentioned. have found it necessary to combat ex-cessive fermentations, whether vinous, acetous or alcoholic, which have ever acetous or alcoholic, which have ever stood in the way of successfully manufacturing wine, vinegar and alcohol in our Southern climate. The experiments have resulted in the discovery of an agent which completely obviates this difficulty. This agent is the extract of the bark of a tree indigenous to the state of Texas. Carrying their experiments still further, they have ascertained that this same extract as completely controls the only remaining fermentation known to the arts and sciences, vis: Blood fermentation, which is the cause of fevers as well as of rheumatism. This agent they have combined with the vers as well as of rheumatism. This agent they have combined with the extracts of giuger and lemon, thereby rendering it a most efficacious as well as dolightful and palatable beverage. It is not only one of the best tonics in its effects, but the use of it effectually prevents typho-malarial fever. At the same time it is a sure cure for rheumatism. Dr. Huchas' Extract of Lemon tism. Dr. Hughes' Extract of Lemon and Ginger is put up in cases of two dozen nottles, and can be found at all first-class druw and grocery stores.

Advice to Mothers.

The Lone Star Soldier Boys Addressed by the Governor.

Special to the Gazette. LAMPASAS, TEX., June 25 .- The party. competitive drills continued to-day, the following companies exhibiting their proficiency in military tactics: The Sealo Rifles, the Galveston Artillery Light Guards, the Washington Guards of Galveston with Lieut. My-ers, Lieut. Garry and Capt. Van Zandt of Fort Worth as judges. This leaves for to morrow's exercises, three competitive crills of the Dallas and Galveston artillery and the individual soldier drill.

At 6 p.m. the troops were formed in front of the grand stand when Col. Henry Exall in a very appro-priate manner introduced the govpriate manner introduced the governor, who, in a brief but appropriate address eulogized the citizen soldiers of the state on their cificiency, their good conduct and pointed with pride to them as the foundation of the future defense of the state and federal government in case of need, and stated that he would with increasing emphasis recommend to the next legislature the necessity of taking next legislature the necessity of taking care of and providing well for our citizen soldiery. He closed by referring to the Houston Light Guard row on their way to Philadelphia as bearing the best wishes of our state and his hope that their merits would be with the grand prize, which was responded to by the wildest demonstrations of enthusiasm by the entire assembly.
